Career Values

Value 1

RELATIONSHIPS:

People who score high in the Relationships cluster should look for jobs where their co-workers are likely to be friendly and supportive. They should also look for work that lets them be of service to others. These people should explore jobs that do not compromised their personal morals, or sense of right and wrong.

Value 2

INDEPENDANCE:

People who score high in the Independence cluster should look for jobs where they are left to do things on their own initiative. These people also value creativity and the freedom to work alone. They would explore work where they can make decisions on their own.

Value 3

ACHEIVEMENT:

People who score high in the Achievement cluster should look for jobs that let them use their best abilities. It's also important that they look for work where they can see the results of the work directly. They should explore jobs where they can get a strong feeling of accomplishment.

Temperament Typology Explained

Temperament Typology

Temperament refers to a person's inborn qualities. This assessment measures extraversion on one axis and task or people orientation on the other.

Leopards (L1) are task-orientated introverts.

Lions (R1) are task-orientated extroverts.

Dolphins (R2) are people-orientated extroverts.

Elephants (L2) are people-orientated introverts.

NN is a good analyser (analytical). He seeks info and facts before making a decision. He is also motivated by results and quality. He likes an orderly, secure, organised work environment. While NN can be reserved, he is also a friendly person and gives objective and factual feedback.
