### Qualifications

Bachelor of Medical Rehabilitation in Physiotherapy

### University

University of Maiduguri

### Hospital Experience

I have 11 years of clinical experience in the hospital settings.

I work as an autonomous practitioner taking responsibility for the management of patients with my own caseload. I work as an individual within the therapy and rehabilitation service undertaking specialist assessments in their own homes, residential care homes or the residential rehabilitation unit. I work closely with patients, carers and all associated professional practitioners. I am involved with assist in departmental training and education sessions, to further professional and personal development for staff. I develop my specialist clinical skills, knowledge and experience through participation in In-Service training and specialist Personal Development as identified in Personal Development Plans.

### Private Practise MSK Experience

I take the lead role in providing highly specialized direct clinical care in the field of physiotherapy within a private hospital settings for 5 years. Also providing physiotherapy services to patient /client who have impairments, functional limitation, disability or change in physical function and health status resulting from injury, disease or other causes and prevention through patient education.

### Special Interests

I have a special interest in Geriatric Care and Community Physiotherapy .
