Career Values

Value 1

Relationships:-

People who score high in the Relationships cluster should look for jobs where their co-workers are likely to be friendly and supportive. They should also look for work that lets them be of service to others. These people should explore jobs that do not compromise their personal morals, or sense of right and wrong.

Value 2

Support:- People who score high in the Support cluster should look for jobs where the company stands behind its workers and where the workers are comfortable with management's style of supervision. These people should explore work in companies with a reputation for competent, considerate, and fair management.

Value 3

Achievement:-

People who score high in the Achievement cluster should look for jobs that let them use their best abilities. It's also important that they look for work where they can see the results of their efforts directly. They should explore jobs where they can get a strong feeling of accomplishment.

Temperament Typology Explained

Temperament Typology

Temperament refers to a person's inborn qualities. This assessment measures extraversion on one axis and task or people orientation on the other.

Leopards (L1) are task-orientated introverts.

Lions (R1) are task-orientated extroverts.

Dolphins (R2) are people-orientated extroverts.

Elephants (L2) are people-orientated introverts.

ST is an introverted Elephant, she likes to be challenged and enjoys to be in a competitive work environment. ST considers herself outgoing and social and enjoys getting to know her co workers. She is results focused and works hard.
