Who am I ?

I am a Physiotherapist with excellent academic background holding distinctions in geriatric care, paediatric rehabilitation, Msk rehabilitation, professional practice, sports rehabilitation, and community based rehabilitation.

The professional life is full of international experience from Pakistan, Germany, and United Kingdom in NGOs, private practice and big private healthcare organisations.

I have great hands on skill in various rehabilitation specialities with particular interest in MSK. I have worked as the team lead on Germany and as First contact practitioner in United Kingdom in primary care networks and GP practices, hence offering MDT based care.

I am keen, motivated, clinical oriented individual with focus on evidence based practice. I have CPDs in various rehabilitation programs, certifications in IRMER, BLS and work safety as well.

Happy to indulge and make my space in best healthcare teams.

Interests

My outside hours usually are involved in CPD trainings, however, I do like to visit the calm and peaceful places in my free time. Hiking is one of my favourite things to do, including travel volunteering, community works and services e.g charity works.

More about AM

Quotes from References

Accuracy / Timeliness and Workload

AM was never found to be late to work, he also was very punctual and accurate in any task he was given and never missed any deadline required to be met at his work.

Strengths

AM thrives in having pleasant social contact with nice colleagues and prefers an environment where he can build strong, friendly relationships with co-workers.

More about AM

Career Values

Value 1

RELATIONSHIPS:

People who score high in the Relationships cluster should look for jobs where their co-workers are likely to be friendly and supportive. They should also look for work that lets them be of service to others. These people should explore jobs that do not compromised their personal morals, or sense of right and wrong.

Value 2

SUPPORT:

People who score high in the Support cluster should look for jobs where the company stands behind its workers and where the workers are comfortable with management's style of supervision. These people should explore work in companies with a reputation for competent, considerate and fair management.

Value 3

ACHIEVEMENT:

People who score high in the Achievement cluster should look for jobs that let them use their best abilities. It's also important that they look for work where they can see the results of the work directly. They should explore jobs where they can get a strong feeling of accomplishment.

Temperament Typology Explained

Temperament Typology

Temperament refers to a person's inborn qualities. This assessment measures extraversion on one axis and task or people orientation on the other.

- Leopards (L1) are task-orientated introverts.*
- Lions (R1) are task-orientated extroverts.*
- Dolphins (R2) are people-orientated extroverts.*
- Elephants (L2) are people-orientated introverts.*

AM will experience disharmony and will complain or compromise when under stress, he is focused and hard working. AM is patient, clear, and detailed communicator, he is dependable, and will collaborate in a team.
