None

Temperament Typology Explained

Temperament refers to a person's inborn qualities. This assessment measures extraversion on one axis and task or people orientation on the other.

- Leopards (L1) are task-orientated introverts.*
- Lions (R1) are task-orientated extroverts.*
- Dolphins (R2) are people-orientated extroverts.*
- Elephants (L2) are people-orientated introverts.*

Temperament Typology

ZH is a patient, clear and a detailed communicator. ZH seeks information, and facts before making a decision. He is consistent and a stable, predictable type. ZH can be a silent but hard worker who is responsibility driven and collaborates well with a team.
