# More about MSY

## Who Am I

I am an enthusiastic physical therapist with more than four years of experience in neurological conditions assessment and rehabilitation. I have strong communication and problem-solving abilities, providing individualized treatment to a variety of patient populations. I am proficient in multidisciplinary teamwork and neurological rehabilitation. I am committed to enhancing patient outcomes and raising standard of living. I'm eager to contribute my clinical experience and medical knowledge to your organization in a demanding position that fits with my commitment and clinical ability.

## New Zealand Experience

None

### Temperament Typology Explained

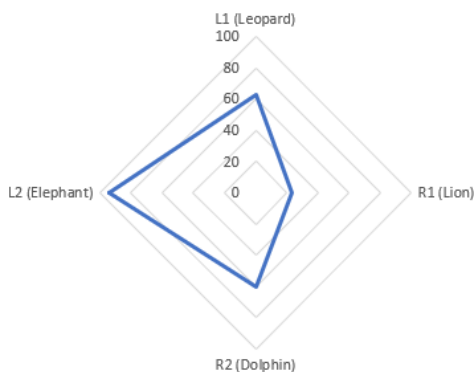

Temperament refers to a person's inborn qualities. This assessment measures extraversion on one axis and task or people orientation on the other.

- Leopards (L1) are task-orientated introverts.*
- Lions (R1) are task-orientated extroverts.*
- Dolphins (R2) are people-orientated extroverts.*
- Elephants (L2) are people-orientated introverts.*

### Temperament Typology

MSY likes social, interactive work environment, he will try to accommodate the other person's wishes, he will point out the logic and benefits of the situation. MSY will experience disharmony and will complain or compromise, he is a participative, enthusiastic team member.
